

We always go back  
to those places  
where we feel good.

That's why, after a long break, IVARS will be ready  
to welcome you once again to **Interzum 2023**.

**An entirely new exhibition space** to showcase  
all our latest products dedicated to the world of  
Office and Community settings and to share together  
ideas and inspirations.

We look forward  
to seeing you there!
