

The background of the entire page is a vibrant yellow. It is decorated with a scattered pattern of various geometric shapes. Some shapes are solid pink, including circles, triangles, pentagons, and wavy lines. Others are white outlines of the same shapes. The shapes are distributed across the page, creating a playful and modern aesthetic.

IVARS

Un solo pattern, tante sfumature.
One unique pattern, many nuances.

Da sempre, siamo alla **ricerca dell'innovazione in ogni ambito, sperimentando gusti e tendenze** che rendono ogni giorno il nostro lavoro ricco di novità.

La scelta di aggiungere **un tocco di creatività ai nostri Cataloghi IVARS** è data dalla costante ricerca di ciò che di nuovo richiede il mercato: capacità di stare al passo coi tempi, intuito su ciò che rende accattivante un prodotto e coraggio di stravolgere i piani, andando incontro ai nuovi canoni che il marketing e la comunicazione impongono.

Colori accesi, forme geometriche e rimandi che renderanno ogni copertina unica.

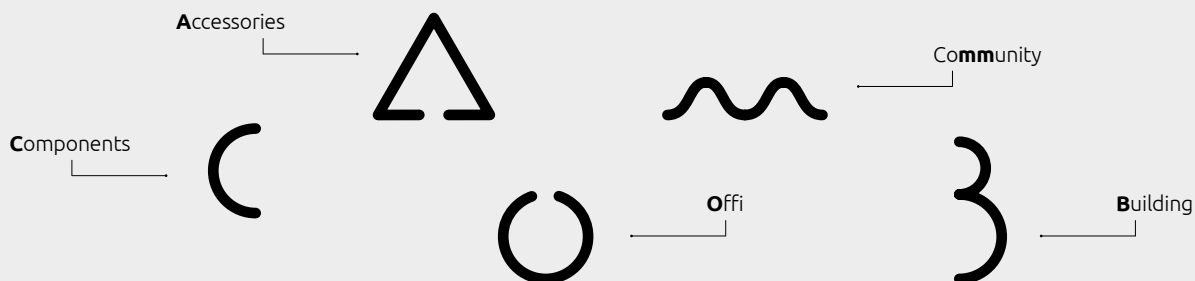

Un solo pattern, tante sfumature che andranno a modellarsi in un unico grande progetto.

*We've always sought to **innovate in every area of our business, experimenting with new tastes and trends**, and this approach ensures our daily work is brimming with new ideas.*

*Our decision to add **a touch of creativity to our IVARS Catalogues** comes from our constant quest for those new ideas the market requires: our strength is our ability to keep up with the times, our intuition about what makes a product captivating, and our courage to re-evaluate plans to meet the new canons imposed by marketing and communication.*

Bright colours, geometric shapes, and references lend a unique style to each cover.

***One unique pattern, many nuances** that come together to make a great unified project.*

Con voi, nella scelta di ogni dettaglio! *With you, in the choice of every detail!*

Il **Catalogo Accessori 2023** è la sintesi perfetta di come ogni singolo dettaglio può fare la differenza. Gli Accessori Ivars sono nelle case e negli uffici d tutto il mondo da ben 75 anni.

Un successo che ha portato l'azienda a credere sempre più nell'importanza di ogni particolare, tornando con **un nuovo catalogo** che, con la sua tradizionale e vasta gamma di prodotti, punta ad essere **sempre più aggiornato e diversificato**.

L'offerta Ivars della divisione Accessori, estremamente versatile nella disponibilità di modelli e misure, è funzionale a numerosi ambiti: dall'arredamento in legno e in metallo al "fai da te", dal settore ferramenta fino a quello medico ospedaliero. Puntali, copritesta, piedini regolabili, ruote, che trovano la loro perfetta collocazione nei più svariati settori.

Le proposte sono Made in Italy, progettate e prodotte presso la nostra sede.

Da 75 anni scegliamo di essere al vostro fianco ogni giorno: a casa, in ufficio, in Italia e in tutto il mondo.

Buona consultazione.

Ivars Accessories

*The **2023 Accessories Catalogue** represents the perfect synthesis of how it's the single details that really make the difference. Ivars Accessories have been in homes and offices all over the world for over 75 years now.*

*This success serves to affirm our belief in the importance that every single detail can make, and to publish **a new catalogue** which, with its traditional and extensive range of products, endeavours to remain **constantly up to date and increasingly diversified**.*

With its large selection of available models and sizes, the Ivars Accessories Division's product range provides great versatility, offering numerous functional solutions for a great many sectors: from wooden and metal furniture to DIY to hardware and the medical and hospital sectors. Tips, headrest covers, adjustable feet, and wheels for a multitude of uses in a huge variety of industries.

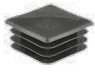

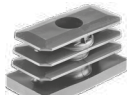

As always, the entire range of products in the catalogue are proudly Made in Italy, and designed and manufactured by us at our premises. For 75 years we have chosen to be constantly by your side every day: at home, in the office, in Italy and all over the world.

Enjoy.
